

At **P.E.E.R.S.** Caring Home for Veterans, our goal is to help rid our community of veteran homelessness by reducing the rate of veteran relapse. We aim to provide veterans leaving treatment centers and incarcerated environments with a healthy, holistic, strength-based, structured, clean and safe home environment that will give them a sense of value and improve their self-esteem. We aim to always put veterans first in the process of long-term recovery.

*At **P.E.E.R.S.** we make veterans a priority! Please take this opportunity to do the same. Our veterans have greatly served our country and it is now time that we show them how much their service is truly appreciated.*
